**Grade: VI to X- Students will have half day on 30.11.18 on account of last working day of the month.****Measles and Rubella Vaccination Campaign**

This is to inform you that the Ministry of Health & Family Welfare, Government of India as a part of its global effort to eliminate Measles and control Rubella has initiated Measles & Rubella (MR) Vaccination campaign across the country for the children from 9 months up to 15 years of age regardless of previous vaccination status. Health & Education Department is coordinating about the implementation of the MR Vaccination in schools.

We would like to inform you that the vaccination will be administered to the students of our school by team of professional appointed by NMMC Health Department on Saturday, 1<sup>st</sup> December 2018. Every child will be vaccinated using the auto disabled syringes.

Children suffering from asthma, cancer, epilepsy, juvenile diabetes & high fever must not be administered MR vaccine.

You are therefore requested to inform the school if your child is suffering from any of the above cited illness or if you have any other concern, in the prescribed proforma given below:

**Other information:**

1. Students' attendance is mandatory on the vaccination day.
2. Interested parents can accompany the students on the vaccination day .
3. Students need to have breakfast or proper food before coming to school on MR vaccination day. No eatables shall be allowed half an hour before the vaccination .They need to carry their tiffin boxes also to school.
4. After vaccination children will be kept in the observation room for at least one hour.
5. Students will have regular school. Secondary timings: 7.00 am to 12.40 pm, Primary timings: 12.50 pm to 5.10 pm.
