Dear parent

Date: 4th January 2019

Datta Meghe World Academy is delighted to inform you that the school shall begin grade XI (CBSE) from the academic year 2019-20.

Class XI is one of the major turning points in a student's life. Be it in terms of personality or profession, students after 10th are exposed to an all-new challenging world away from the closely protected environment of the school.

Choosing the right course after 10th is extremely important because a well-thought-out decision can lead to a rewarding career or may become a basis for the post graduation course.

In order to guide you and provide you more information on our Senior Secondary Section having 3 streams to offer – Science, Commerce and Allied seminar is planned for the parents on 6th January 2019 at 10.00 am in the Activity Room (6th Floor).

Your presence is important as it will help you to shape your ward's future.
