

International Logical Reasoning Olympiad, 2019-20

Dear Parent,

This is a gentle reminder about the first stage of **the LogIQids International Logical Reasoning Olympiad, 2019-20** which is scheduled to take place in our school on **29th November 2019**.

How to Prepare for the Olympiad?

- Please note, every student has been provided with **free preparatory material** (in the form of notes, personalized worksheets and a sample paper. These have been uploaded to their LogIQids account and needs to be accessed by logging to the account
- The preparatory material is specially designed to develop important 21st century skills like **Problem Solving, Analytical Thinking, Spatial Reasoning, Creativity and Lateral Thinking** and hence **it is important that every child goes through the preparatory material.**
- **While some students have started utilizing this content, many have not yet started their preparation.** With only a month to go for this Olympiad, **we strongly recommend that your child starts practising and makes the most of this material**
- To access this free preparatory material, download the LogIQids app from the Google Play or Apple App Store by clicking www.logiqids.com/get-the-app , or visit their website – www.LogIQids.com – and then log in. Your registered email id and password has been shared with you by their team.
- In case you face any issues accessing the material or have any question regarding your username and/or password, please feel free to contact the LogIQids team at the below mentioned contact details.

Other General Instructions:

- This will be a written examination (and **NOT an online exam**) in MCQ format
- The Roll Number and Admit Card will be shared by the LogIQids Team in due course.
- The marking scheme, paper pattern and other details can be viewed post login in your LogIQids account. Once logged in, go to the menu, click on “Test” and then on “Test Rules” to check exam details.
- **Results will be declared in January and a detailed performance analysis will be shared with each student along with a certificate of participation for every student**
- The students who perform exceptionally well shall be eligible to participate in the Final Stage of the Olympiad. More details about the same shall be shared post First Stage results.

PS - This notice is only for those students who have enrolled for the LogIQids Olympiad.
