

Datta Meghe World Academy

PTA Meeting for the Academic Year 2021-22

Minutes of the Meeting

Meeting No: 2

Date: 5th October,2021

Agenda:-

- 1) Activities update**
 - 2) Re- opening of school**
-

Principal Sir greeted and welcomed everyone. Activities update during the past month by Ms. Kawaljeet Kaur

Principal Sir thanked all the parents for their constant support & co-operation for the development of the children. Sir explained that the young learner's energies are not channelized during this pandemic through digital learning.

The Govt has decided to open the schools after detail discussion with the Paediatric Task force, Executives, Bureaucrats, stake holders etc...

Sir explained SOP's adopted by the school for its re-opening :-

- Sanitizers installation on the corridors
- Regular cleaning of washrooms.
- Sanitization of classrooms at regular intervals
- Maintaining social distance
- All staff members are at least vaccinated with 1st dose.
- Everyday disinfection process is conducted
- Staff will be allotted duties to avoid congestion in the school.
- Testing centre opposite to Smt. Radhikabhai Meghe Vidhyalaya shall be associated
- In case the child shows any symptoms' the child shall be isolated & immediate Antigen test will be conducted & parent will be informed. The school will be closed for the disinfection process. The same needs to be vice-versa
- Hybrid mode will be conducted where in online & offline mode of teaching-learning process.
- Seating arrangement- one child on one bench in zigzag manner.
- Timetable will be reframed.
- 11th October 2021, Grade X to XII students are proposed to be called for offline classes.
- Term-I- paper shall be conducted offline by CBSE as the pattern has been changed i.e. 50 MCQ's on OMR sheet. Training for the same is required. Students need to be in town during the Term-I exam as there is no change of centres.
- Grade XI & XII -Practical's need to be conducted.
- Children need to carry Tiffin boxes, no sharing allowed.
- Homework will be online.
- Writing skill will be focused after re-opening of the school.
- Indoor games will be planned.
- Children will be travelling on their own.
- Separate gates for entry and exit of the students. After thermal screening if the temperature found to be 99°C or more, then the child will be asked to be seated in isolation.
- Mask need to be carried by the students. However mask will be kept extra for emergency use.
- Timing will be 3-4 hrs, also depending upon on the number of parents consent form. In case the number of students are more, then the school will have two shifts each session for 3 hours.

- School display boards will be decorated & refreshed with positive thoughts.
- Parents will not be allowed during the time when the students are there in the premises. Outsiders entry will be restricted.

PTA Members expressed that all the points for safety & security of the students are covered and suggested.

- Sanitizer used should be explained to the students
- Minutes of the meeting to be uploaded on the website.
- Disinfection of the campus- regularly conducted.
Sir explained that even during the lockdown the regular cleaning was conducted for avoiding bacteria development also.
- Suggestion from Grade II member that children should be allowed only after vaccination of the children.
Sir explained that there is a gap in the learning process and even the team of doctors suggested for re-opening of school.
- Grade 10 member suggested that board students need to take extra-care. Sir explained that students need to be prepared for the same.

The meeting ended with expressing gratitude to all the parent members for their support & active participation.

**Respectfully submitted by
Mrs. Kawaljeet Kaur Kohli
Vice Principal & Secretary PTA**
