Grade I- Parent's Orientation on Coding (2022-23)

Dear parent,

13th April, 2022

We acknowledge with gratitude the trust you have reposed in our educational philosophy. It shall remain our earnest endeavour to work towards the holistic development of the students and imparting knowledge embedded with 21st Century skills, characteristics and values.

Coding: The National Education Policy 2020 emphasises on development of 21st Century skills, equipping our students with latest trends in technology and technology oriented learning. It also emphasizes on integrating Coding and Coding Integrated curriculum with special focus on Mathematical & computational skills for enhancing Analytical ability, Creative & Problem solving skills.

Parents you all will agree that for effective implementation of any programme and to develop the desired skills, the beginning has to be made from the grass root level. In order to equip our school with 21st century courses in conformity to the recommendation of NEP 2020 and its implementation, to attain leadership position and to develop Numeracy & Literacy skills with ability to solve the problem through analysis & in a creative way, DMWA has proposed to integrate Coding and Coding Integrated curriculum w.e.f. academic session 2022-23 for all classes from Grade I onwards. The course shall be transacted with help from Quest plus, Thane. the programme shall be associated with following:

- TOI organized competitions as Times Of India being Partner of Quest Plus.
- Webinars on different topics of current and futuristic importance such as Cyber Security
- Dedicated teachers for Curriculum transaction for Coding
- A dedicated learning app having self-learning videos created in their studio mapped to DMWA course material by experienced teachers exclusively for DMWA and its students, assignments, question banks for improved and joyful learning experiences.
- To support school in its unique initiative on Financial Literacy and Entrepreneurship programme from Std VI onwards by webinars and workshops through its educational partners BSE.
