Holiday Homework 2025-26

Grade V

Sr. No	Subject	Topic	Materials Required
1	English	<p>Task 1: Letter to Mother Earth Write a letter to Mother Earth thanking her for everything she gives us and promising how you will protect her. (60–80 words) OR Task 2: Nature Detective – Word Hunt! Find and list 10 English words related to nature from newspapers, books, or around you (e.g., forest, soil, bird). Write their meanings and use them in your own sentences.</p> <p>Task 1: Poster Time Make a colorful poster with a slogan on Nature Use drawings, cutouts, or natural items (leaves, dried flowers). Write 2–3 lines explaining your poster. OR Make Your Own Bird Feeder – Step-by-Step Instructions Steps: Step 1: Clean the Bottle/Carton Wash the empty bottle or carton and let it dry completely. Step 2: Mark and Cut Use a marker to draw two holes near the bottom on opposite sides. Ask an adult to help you cut the holes carefully. These will be the feeding windows. Step 3: Add the Perch Poke two small holes below each window and push a pencil/stick through both sides. This will act as a perch for birds to sit on. Step 4: Fill with Bird Seeds Pour bird seeds or grains into the bottle/carton through the top. Step 5: Attach the String Tie a string or wool around the top to make a loop for hanging. Step 6: Hang Your Feeder Hang it on a tree branch, balcony grill, or window where birds can safely reach it.</p>	<p>Materials Needed: 1 empty plastic bottle or small carton (juice or milk) 2 wooden sticks or pencils String or wool Scissors (with adult supervision) Bird seeds or grains (like rice, bajra, sunflower seeds)</p>
