

Datta Meghe World Academy

Grade: I to XII

CIR/09/2024-25

Dear Parents,

Date: 30.07.2024

Subject: Important Notice: Change in School Timings

We hope this message finds you well. We would like to inform you that in conformity to the multiple request received from the parents regarding reducing/changing the school timing which had been continuously monitored by us and seriously looked it, we have decided to bring about a necessary change in our school timings, effectively from 1st August, 2024.

New School Timings:

- **Start Time:** 8.30 am, Reporting time-8.05 am
- **End Time:** 2.00 pm
- **Important note:** All Saturdays shall be off for the students of Grade I to XII.

The decision to adjust the school timings is made after careful consideration to better accommodate our students' needs and ensure an optimal learning environment. This change will enable us for an optimum utilisation of their energies, alertness and concentration as it has been a proven fact that morning time is an ideal time for learning and cognitive activities and children tend to absorb more.

After-school hours can be used effectively for extra- curricular and co-curricular activities as per their interest, homework and family time allowing for a more balanced day. Students can equip themselves with social skills & moral values. This will further facilitate personality development, intellectual skill development and character development of students.

We appreciate your understanding and support as we work together to provide the best educational experience for your child.

Thank you for entrusting us with your child's education.
